

NOTICE TO MARINERS No 16 - 2017

Unlit anchor marker buoys – south of Invergordon Service Base

Chart – BA1889

Mariners are advised that 3 unlit orange anchor pendant type marker buoys have been laid south of Invergordon Service Base as part of a pre-lay mooring system being installed in preparation for the arrival of the Semi submersible oil rig “Stena Don”.

The buoys are located as follows:

Stena Don East

57°40.9736 N
004°10.1856 W

Stena Don South

57°40.9221 N
004°10.1856 W

Stena Don North

57°41.0145 N
004°10.3601 W

The buoys will be removed when the rig is all secured to the berth - on or about the 25th November 2017.

Mariners are therefore advised to navigate with caution in the vicinity of Invergordon Service Base. Further details can be sought from Cromarty Firth Port Radio on VHF Ch11 or 01349 852308.
